

Coupon Book Fundraiser

When: Starts Friday September 30, 2022, Ends Friday October 21, 2022

What: We will be selling SaveAround Coupon Books

Price: \$25 per book, 50% profit for the program

Selling Goal: Each student to sell 5 books

Selling Incentives:

Top Sellers: 1 = \$100, 2 = \$50, 3 = \$25. These are the top sellers of the whole program (band, percussion, color guard, orchestra).

Process: Each student that participates will receive an example book. This book is to be used as an example to sell books. You should not sell this book until the end of the fundraiser as your last sale. This way you will always be able to show your potential buyers what they will be buying. A good idea would be to make the sample book the book your family buys!

Once you receive payment from an individual, bring the money in to Mr. Watson and he will give you a book to give to the individual who bought from you. Only parents will be allowed to check out multiple books at a time.

Purpose: Bus transportation to festivals/concerts/shows, purchasing new music, new instruments, repairs, festival/performance fees, and payment of instrumental instructors.

****All Fundraising events are optional and non-participation in them does not negatively affect a student ability to participate in the program in any fashion****
